EDG D:
against
H. J. Lutcher

Comes Brownie Babbett Moore by her guardian R. A. Moore and answering the application filed herein by H. J. L. Stark for the appointment of Temporary Administrator in this cause, and the appointment by the court of him as such Temporary Administrator, and says:

She has filed in this cause a contest of the will offered for probate as the last will of F. A. Lutcher, Decedased, and there is now pending a contest to the probate of said will.

MURKETT

That pending said contest it is necessary that a temporary Administrator be appointed in this cause with such powers as may be conferred on him by the court, and it is necessary that he have such defined powers for the purpose of preserving and protecting the Estate, and therefore, this contestants joins in the prayer for the appointment of a Temporary Administrator.

for his
decision

suit
in
court

Contestant refers to her written contest filed in this cause and shows in addition thereto that it is necessary that an inventory of all properties belonging to the Estate of the deceased should be made and filed without delay, and that a list of the debts owing to and by said Estate, showing the amount to and from whom, and all matters connected therewith should be promptly filed.

REED &
Viegas
versus
Lutcher

In view of the allegations of the contest and in view of the fact that the principal beneficiary under the will named and offered for probate, and the application for the appointment of a temporary administrator herein, to-wit: H. J. L. Stark, has for a number of years been the private advisor and confidential agent of the Decedased and has acted for her in all matters under powers of attorney and in a fiduciary capacity and has had charge, to the exclusion of all other persons, of her business, moneys and properties and new holds, under claim from her, valuable properties conveyed and transferred to him during the time he was such confidential agent, which transfers are claimed by contestant to be fraudulent and void, in view of the fact that he has used as his own funds claimed by contestant to be the property of the Decedased, it is necessary that the Temporary Administrator appointed in this cause should have a complete audit of all transactions and dealings between Decedased and the said H. J. L. Stark as far back as any records are available therfor; that said audit should be made by competent auditors duly empowered to have access to all records in the possession of H. J. L. Stark and all other persons for the purpose of making a true and correct audit and that said audit should be made and filed in this cause as promptly and expeditiously as possible for the protection of said Estate.

Contest

And contestant further shows that the Deceased, F. A. Latcher, was the sole Executrix under the will of H. J. Latcher, Deceased. That there has been no final settlement of said Estate; that said Estate has been managed by the Deceased over a long period of years; that its condition is unknown to any person with certainty; that there are funds owing to said Estate by various persons whose names are unknown and amounts unknown, and said Estate has properties undivided which have not been determined and the exact amount of the funds of the said H. J. Latcher Estate used and held by the Deceased and under her direction and under her agents acting for her can not be determined with certainty without a complete audit of the records in the possession of all persons having a bearing upon the properties of the Estate of H. J. Deceased, D. C., and it becomes necessary in this action to determine such indebtedness for the purpose of determining the amount of money owing by the Deceased to the H. J. Latcher Estate and the amount of properties in her hands belonging to such Estate and the amount of money if any, held by other persons for or owing by them to said Estate, and a complete audit of the records, books and properties in the possession of all persons for the purpose of making a true audit thereto, and it is necessary to have a competent Auditor and the Temporary Administrator should be directed to have a complete audit made of such transactions and employ a competent auditor for that purpose, all of which should be done promptly and without delay, and it is necessary to the welfare of said Estate that said audit should be promptly made and filed in this cause.

WHEREAS

On account of the fact that H. J. L. Stark has acted for the Deceased for a number of years as her confidential agent and advisor and has held and directed and expended her funds and moneys and properties during said time, a full account of all transactions and connections between the said H. J. L. Stark and the Deceased and her moneys and properties should be had and an audit made of the books of said H. J. L. Stark and the deceased, and all other persons relating to said transactions, and the Temporary Administrator should be directed to have such audit made by competent auditors and a true and full record thereof filed in this proceeding.

Said Temporary Administrator should have authority and be directed to institute such suits as are necessary or proper to have all conveyances, to or from him, or from the Deceased, to H. J. L. Stark, annulled and set aside, made, executed or delivered during the time he has acted as confidential agent of the Deceased, and recover from him all sums of money from the sale of properties belonging to the Deceased claimed by him under cover of said pretended conveyance, it being charged by contestants that all such conveyances are fraudulent and void, and that he is not legally accountable to her Estate therefore.

CO26939.

Contest

That the Temporary Administrator should be authorized and directed to employ all necessary and proper agents, attorneys and auditors to carry out and fully comply with the terms of the direction to be given him by this court, and to make all proper demands, institute all proper suits, agree and oblige the Estate to pay all proper and reasonable charges and expenses, and that he should, from time to time, be directed to file with this court reports of his stewardship and acts, and that he should so act under the orders of this court until discharged by this court, or by operation of law.

This contestant shows to the court that the applicant H. J. L. Stark who filed his application herein to be appointed Temporary Administrator, is, by reason of the facts herein shown, not the proper person to act in such capacity, but is disqualifed by law and in morals so acting and that a disinterested person qualified should be appointed by this court to act as Temporary Administrator under the orders of this court, and which appointment should be in force and continue as directed by law.

Contestant prays that a Temporary Administrator be appointed with the power herein specified; that such Temporary Administrator so appointed shall be a qualified disinterested person to be selected by the court and that he be required to give such bond as the court may conclude in the premises is proper and right.

OR
MRS. F. A. LITCHER, DECEASED

Pending in the County Court of
Orange County, Texas.

To the Honorable

County Judge:

NOTICE
IN ESTATE
VOLUME 5
PAGE 2

Your petitioner is Carrie L. Brown, a female sole resident of Orange County, Texas, and interested in the estate aforesaid:

She prays that the order hereinbefore made by your Honor appointing H. J. Litcher Stark temporary administrator of the estate aforesaid be set aside and that some disinterested person be appointed such temporary administrator with authority to have an audit estate, and to inquire into all transactions whereby said estate of Mrs. Frances A. Litcher, deceased, has transferred or has apparently transferred title to property to said H. J. Litcher Stark or any person employed by or connected with him, and to institute suit for the recovery of such property if it should appear that same was transferred for an illegal purpose or was signed by said Mrs. Frances A. Litcher without an understanding of its legal effect.

In support of this motion and as reasons for the action which this court is asked to take your petitioner says:

1. That there has been offered for probate herein an instrument which purports to be the last will and testament of Mrs. Frances A. Litcher; (1862)
2. That under the terms of said instrument a bequest is made to your petitioner in the sum of one million dollars;
3. That under the terms of said instrument other bequests are made to a number of individuals, among which is one bequest for one million dollars, two bequests of five thousand dollars each, a number of bequests for smaller sums, and six bequests of money to be paid monthly in considerable amounts and for indefinite periods.
4. That there is a provision in the will to the effect that the payments shall be made "to the parties entitled thereto in the order named," that the bequest of your petitioner is the last bequest and is subject to all the others.
5. That this petitioner does not know and has no way of ascertaining without the aid of this court the extent or the amount of said estate, or of ascertaining whether the amount bequeathed to her under the terms of the instrument aforesaid, if said instrument should be probated as the last will and testament of said Mrs. Frances A. Litcher, is safe, or if, on the other hand, the property of said estate has been and is being so used that it will be made to appear that no such sum is available to pay such bequests.

6. Your petitioner says that her fears and apprehensions as to the safety of any ~~sum~~ that may become due to her from the estate of her mother is based upon the following facts:

(a) On the 2nd day of October 1912, her father, H. J. Latcher, died testate leaving her mother, said Mrs. Frances A. Latcher independent executrix of his estate; from the date of his death up to the date of her death her said mother was nominally independent executrix of the estate of her father, but that in fact during this period the estate of her said father was administered with and in connection with her own estate; that she had no actual control of the business and knew nothing about the affairs of either her own estate or the estate of her deceased husband, that she was in the habit of signing all instruments that were handed to her for her signature and that most of her business either in the control of her own affairs or in administering the estate of her husband was conducted under a general power of attorney to H. J. Latcher Stark, who has never accounted to her nor to any person as to his administration thereof; that during this period said Latcher Stark and W. H. Stark, his father, and one F. H. Farwell, who was cooperating with them had the actual control of the affairs of both estates; notwithstanding your petitioner's interest in the estate of her father, all knowledge of the conduct of these businesses and of the results thereof have been kept from her and her efforts to have the books and accounts audited have been without avail; that during said period H. J. Latcher Stark, W. H. Stark and F. H. Farwell have withdrawn from or secured from said estate large sums of money (your petitioner cannot be more accurate because of the refusal to permit her to have said books and accounts examined).

(b) Said estate of said H. J. Latcher has not been closed and no final account has been rendered and your petitioner believes and charges that the said estate of Mrs. Frances A. Latcher is largely indebted thereto.

I, GENEVIEVE E. LATCHE
LATCHER, do
hereby state
that I am
of sound
mind and
memory
and that
I am
not under
any duress
or influence
of any kind
and that
I am
acting
of my
own free
will and
desire.

(c) Your petitioner has been informed and believes that at the time your Honor made the order which she now prays be set aside said H. J. Latcher Stark opposed the appointment of a disinterested temporary administrator, and she believes and charges that it was based upon the desire to prevent an examination of the affairs of the estate and a disclosure of its condition.

(d) Your petitioner further says that prior to the death of Mrs. Frances A. Latcher an instrument bearing date the 30th day of June 1919 purporting to have been executed by Mrs. Frances A. Latcher and transferring to said Latcher Stark lands constituting at least one-half of her estate, was placed of record in Newton County, Texas; petitioner believes and charges that if said instrument was executed by her said mother, it was executed without knowledge or understanding of its effect and under circumstances which render it void, she believes and charges that said H. J. Latcher Stark caused said transfer to be made for the purpose of evading the estate and inheritance taxes which would become due to the United States and to the State of Texas.

0026946

Motion to set aside Appointment

upon the death of said Mrs. Frances A. Latchers; and she further says that if that instrument aforesaid is probated as the last will of her mother, it will require a judicial construction of the will to determine whether or not said property is included under that term of the will.

I, Jessie E. Latchers, do certify that I am Jessie E. Latchers, and that I am the person whose signature appears below.

(e) Your petitioner says that if the instrument aforesaid should not be probated as the will of her said mother, she will be entitled to a one-half of her mother's estate, including the property purporting to have been conveyed as aforesaid to H. J. Latcher Stark.

(f) She says that if said will should not be probated, and said transfer to him is held void, he will not only be without property but be a debtor to the estate in large sums of money which he has heretofore drawn, as aforesaid, that he is not under the circumstances a proper person to have an exclusive control of the books and papers and property of the estate until these matters can be determined.

Petitioner says that it is within the discretion of the Court to fix the bond of temporary administrator in any sum, and that no right of said H. J. Latcher Stark, or any other person, can or will be jeopardized by the appointment of some one as temporary administrator who is entirely disinterested and who will, under the direction of the court, ascertain the facts; but petitioner says that if the facts are as she has reason to believe, her property rights might be seriously impaired by the successful efforts of said H. J. Latcher Stark to prevent an ascertainment of the actual condition of the estate.

On this the 5th day of January, 1925, in open court came on for further consideration the order of this court of date November 3, 1924, appointing H. J. L. Stark, Temporary Administrator of the estate of Mrs. Frances A. Latcher, deceased, and it appearing that said order provided that said appointment shall cease to be of force on the day designated for taking up probate business at the first term of court held next after the date of said appointment, unless at such term it be continued in force by an order entered upon the minutes in open court;

Stark as the last will and testament of Mrs. Frances A. Latcher and that it is necessary for a Temporary Administrator to act pending the termination of said contest.

And it appearing to the court that the interests of the estate would be best subserved by the continuance in force of the appointment of the said H. J. L. Stark as Temporary Administrator;

It is therefore now in open court (this being the day designated for taking up probate business at the first term held after said appointment) ordered, adjudged and decreed that the appointment of the said H. J. L. Stark under the aforesaid order November 3, 1924, be and the same hereby is continued in force and effect and that the said H. J. L. Comes Brownie Babette Moore, by her Guardian R. A. Moore, and in opposition to the application to probate the Will of Frances A. Latcher, Deceased, filed herein by H. J. L. Stark, applicant, answers as follows:

First.

She is the Brownie Babette Moore named as a beneficiary and legatee in said purported will.

Second.

The application for probate is not sufficient to confer jurisdiction upon this court to probate said purported Will and requiring the appearance of all persons interested in its probate, in that said application fails to state facts required by law to be proven before said Will can be admitted of probate.

Third.

The application is defective in that it fails to allege that the purported Will was twenty-one years of age at the time it was made, or at the time of her death.

Fourth.

The application is defective in that it fails to show the maker of the purported Will was of sound mind.

Fifth.

The application is defective in that it fails to allege that the maker of the purported Will was of sound mind.

Sixth.

The application is defective in that it fails to show that the purported Will was executed under the circumstances required by law to make it a valid Will.

Seventh.

This defendant denies the truth of the allegations contained in said application.

CO26956

10

EIGHTH.
This defendant denies that the maker of the purported Will was of sound mind, and says that she was without mental capacity sufficient to make a will.

off

Ninth.

This defendant denies that said purported Will was executed under circumstances required by law to make it a valid Will, but on the contrary the same was the result of undue influence exercised of such character as to deprive said instrument from being the free act of the purported maker.

off

Tenth.
This defendant tenders evidence and witnesses upon all of the questions hereinbefore presented.

off

off

Eleventh.

This defendant shows to the court that the burden rests upon this court to determine independently of any opposition or contest to the probate of said purported Will, and it is the duty of this court to draw out all of the facts bearing upon the execution of the paper offered for probate known to any witness brought before this court or tendered to this court, and it is the duty of the court to consider all legitimate evidence brought before it. Said the court is carrying out his official duty this defendant tenders the court witnesses and testimony bearing upon all of said issues.

off

Twelfth.

This defendant shows to the court that according to the purported Will offered for probate, this defendant is denied or bequeathed the particular property described therein upon the terms and conditions, to-wit: that she accept same without contesting said purported Will, if offered for probate, or that she should have the right of contest if said purported Will be rejected for probate upon the consideration that she forfeit my bequest made to her, that she has the right of election under the terms of said Will, and in this connection she shows to the court that exercising said right of election she has elected to forfeit, according to the provisions of said Will the legacy left to her therein, in consideration of her failing to contest said purported Will given her therein and has heretofore failed herein her contest thereto, which is pending in this court.

off

Thirteenth.

That said right of election given to her and exercised by her is one and exercised under the purported Will. That if said purported Will be rejected, all beneficiaries therunder could accept same without detriment to the estate of the decedent, but if said purported Will be not valid for any reason, said beneficiaries named in said purported Will could not accept the bequests.

Opposition of Brownie B. Moore

therein given to them in good faith, as otherwise they would not be entitled to same, and to determine whether said Will be valid wish of the maker, subject to be established by law as such or not, this defendant has elected to contest said purported Will and oppose its probate and she urges this opposition to the application for the probate of said purported Will, and further urges and relies upon the contest she had heretofore filed herein.

R. A. MOORE, GUARDIAN
VS.
H. J. L. STARK

OPINION OF COMMISSION OF APPEALS
of Texas, Section B.
Dated: June 12th, 1929.
Recorded in Vol. 17, page 1037,
Southwestern Reporter, 2d Series.

No. 1087--5316.

Certified Questions from Court of Civil Appeals of Ninth Supreme Judicial District.

Proceeding by H. J. L. Stark to probate the last will and testament of Mrs. Frances A. Latcher, in which R. A. Moore, guardian, filed a contest. The probate court dismissed the contest, judgment on certiorari to the district court was affirmed, and contestant appeals. The Court of Civil Appeals certified questions to the Supreme Court. Certified questions answered. R. L. Battis, of Austin, and Adams & Bruce and H. W. Kinard, all of Orange, for appellant.

Kennedy, Williams, Lee & Hill, Fred L. Williams, and George A. Hill, Jr., all of Houston, for appellee.

SPEER, J. The Court of Civil Appeals for the Ninth District certifies the following questions:

- "1. Does the will of Mrs. Frances A. Latcher, admitted to probate by the County Court of Orange County, violate the rule against perpetuities?
- "2. If the will does violate the rule against perpetuities, is appellant entitled to contest the probate of the will, as attempted by him, without a showing of an interest in himself or his ward in the estate of the testatrix, Mrs. Frances A. Latcher?
- "3. If the will is not void because violative of the rule against perpetuities, was appellant entitled to contest the probate of the will in this proceeding, as he attempted to do, in the absence of proof of an interest in himself or his ward in the estate of the testatrix, Mrs. Frances A. Latcher?"

The will not consider the questions in the order in which they were presented, for our views upon one question make it unnecessary to decide the others.

So that, we answer questions 2 and 3 that, whatever the invalidity of the will may be, the appellant is not entitled to contest its probate because his wards are shown to have no interest in the estate. This renders it entirely unnecessary, if not improper, to answer the first question propounded, as to whether the will involved violates the rule against perpetuities.

CURETON, C. J. Opinion of the Commission of Appeals answering certified questions adopted and ordered certified to the Court of Civil Appeals.

R. A. MOORE, GUARDIAN
VS.
H. J. L. STARK

OPINION OF COMMISSION OF APPEALS
of Terms, Section B.
Dated: November 13th, 1929.
Recorded in Vol. 21, Page 296,
Southwestern Reporter, 2d Series.

Motion No. 8775; No. 1087-5316.

Certified Questions from Court of Civil Appeals of Ninth Supreme
Judicial District.

On motion for rehearing. Rehearing denied.

For former opinion, see 17 S.W.(2d) 1037.

R. L. Battle, of Austin, and Adams & Bruce and H. N. Kildard, all of
Orange, for appellant.
Kennerly, Williams, Lee & Hill, Fred L. Williams, and George A.
Hill, Jr., all of Houston, for appellees.

SPEER, J. Appellant complains that we should have answered the
question involving the validity of the will without any determination of the
one involving the capacity of the appellant's, or at least that "the right or
failure of the right of the appellant to contest cannot be an issue until the
central question is determined." - - - - -

If, as contended, the will creates a perpetuity, and the attempted
probate thereof is void, then any one interested in the matter could assail
the instrument whenever and wherever adverse rights were attempted to be
asserted under it. But this is nowise argues against what we have held, that
the appellant cannot, at any time or anywhere, attack the probate of the will
in the absence of a showing of interest in the estate.

We therefore recommend that the motion for rehearing be overruled.
