

# **EXHIBIT "G"**

I am unable to prepare a formal transcript of the December 7, 1990, hearing because the printing equipment I used at the time of my employment is now in storage, and the printing equipment in my home is not set up for the same line/page format as the printing equipment I used at the time of my employment with the 260<sup>th</sup> District Court. As I did not anticipate <sup>further need of</sup> ever needing my court reporter certification <sup>after a period of time</sup> once I retired from my employment with the 260<sup>th</sup> District Court, ~~my court reporting certification lapsed on~~ I allowed my certification to lapse on 12-31-98.

I do hereby verify that at the time I took the record of the hearing on December 7, 1990, in Cause No. D-880,162-C, Stark, et al vs. Stark, et al, I was a Certified Shorthand Report in and for the State of Texas. My court reporting certificate, Texas Certificate No. 141, showed proof that my court reporting certification was current and in good standing, and was recognized and accepted by the State of Texas at the time of the hearing on December 7, 1990.

I also do hereby verify that I was present during the telephone conference hearing held on December 7, 1990, in Cause No. D-880,162-C, Stark, et al vs. Stark, et al, that I prepared the transcript attached hereto as Exhibit 1 from the notes I took during that hearing, and that the transcript attached hereto as Exhibit 1 is a true and accurate transcript of the notes I made during the recording of the hearing that took place on December 7, 1990.

Further, affiant sayeth not."
